Walk In Screening and Requisitioning

“Walk Ins”

- Up until this point everything has been “on line” searching and requisitioning. You still have the opportunity to physically screen our facilities, and/or accomplish a “walk in” requisition rather than doing it on line, except for RCP items.
- If you choose to complete a walk in requisition, you must have it authenticated by the ASO for the DoDAAC/UIC.
- The DRMO has to have a letter on file designating who is authorized to authenticate requisitions.
